

Storage and Organization: Maximum Storage

Want to make the most of your dream kitchen project? Take organization to the max and let your kitchen do the hard work for you with the ultimate innovations in storage.

Bottom-Mount Wastebasket Pull-Out

Upgrade your wastebasket pullout to a bottom-mount configuration for trash and recycling. Also available with optional Push-to-Open functionality!

Wood Tiered Cutlery Divider

Double your storage space and keep your tableware organized with a tiered cutlery divider.

Tiered Base Pots & Pans

Store pots and pans in deep drawers, and easily access lids in a second, separate tier.

Roll-Out Trays

Our most popular accessory lets you easily view and reach anything stored in your cabinets—even in the back.

Base Tray Pull-out

Pull-out access to trays, baking sheets and cutting boards.

Base Cleaning Storage Pull-out

Quick access to paper towels and cleaning supplies.

Base Plastic Bag Storage

Keep grocery bags and food wraps at your fingertips.
